PASTOR

Dear Parent:

The Alternative Dispute Resolution (ADR) on the following pages is a binding arbitration required of all those associated with Mountain Park Baptist Church and its ministries. This is a common business practice that has been adopted by many churches, Christian schools, and other Christian child-care ministries. You have probably already entered into this type of agreement with credit card companies, phone companies and others, maybe without even being aware (fine print).

In an effort to provide the safest most secure opportunity for the continued ministry to all children entrusted to our care we enclose this ADR as part of the application packet.

For teens,

Bob Wills
